Sir:

The following documents were cited in the European Search Report dated February 27, 2004:

EP 1 217 018, Patent Abstracts of JP 11 349913 and JP 62 181375.

EP 1 217 018 was listed as a D, A document, i.e.; cited in the application and for technological background and the JP 11 349913 and JP 62 181375 documents were cited for technological background.

EP' 018 had been cited by applicant in the Information Disclosure Statement filed with the application.

A copy of the February 27, 2004, Search Report and each of the abstracts of the Japanese references are attached.

Application No.: 10/719,075
Attorney Docket No.: FA1117 US NA

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that an exhaustive search has been made, or that there does not exist information more material to the examination of the present patent application. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will review art of record in all 35 U.S.C. § 120 priority documents.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449, and to indicate in the official file wrapper of this patent application that the documents have been considered.

Applicants do not believe there is currently a fee due, but if there is any such fee due, which has not been accounted for, please charge such fee to Deposit Account No. 04-1928 (E.I. du Pont de Nemours and Company).

Respectfully submitted,

By:
